C.T.F TRUST ACCOUNTING

↑

They've caused me
so much anxiety, I pray
that they suffer the
same! (Got my 1st. Pet. Dismissed!)

W/R Pet. (J.B.)

"Unscrupulous crooks" clearly see that Pet. v. Ben Curry, Warden, CTF
You think they're going to assist me, in my struggle? This is so wrong!
The Crt. should not get me involved with these unscrupulous crooks. Why the Crt. is not issuing order on the CTF to come up with the application instead of me? I cannot force these crooks to do their own jobs! They're robbing the State of CA, in the name of law & order. (F.B.

I am requesting Crt. to order you to forward the application to the Crt. instead of me to you, or to the Counselor, than to the Crt. That's BS! You could always deny that you never received any application, and there's no way for me to prove otherwise. I should never get involved with you in the 1st place. Complete the Application, forward it to the Crt. The Crt. order you to complete the "Certificate of Funds in Prisoner's Account" and forward to the Crt.
